Although March Madness refers to the NCAA college basketball tournaments, March really can feel like “madness” for many high school students preparing for future college and career experiences.

While 9th grade students are finally understanding how to navigate high school, 12th grade students are frantically trying to navigate college acceptances, financial aid packages, interviews, and career training. No matter where you are in your college and career “game”, remember that the AHS Counseling Office is the best teammate to “assist” you with the process:

- 1) Visit the Career Center (room A103) every day during Pride Period to receive assistance from a school counselor.
- 2) Utilize Naviance to research careers and other post-secondary options.
- 3) Check out the scholarship bulletin board and blog weekly for scholarship opportunities.
- 4) Read the AHS Counseling Newsletter for upcoming events.

Remember...there is no “I” in “Team”—or in “Post-Secondary Success!”
