DISCOVER YOUR PASSION

A Guide to Programs of Study and Career Pathways

ANNE ARUNDEL COMMUNITY COLLEGE 2015-2016

ANNE ARUNDEL COMMUNITY COLLEGE can prepare you for transfer to a four-year university or for immediate employment. Explore your career options with AACC!

ACADEMIC AWARDS

AA (Associate of Arts) | designed for transfer to a four-year institution

AS (Associate of Science) | designed for transfer to a four-year institution

AAS (Associate of Applied Science) | designed for immediate employment or transfer to a four-year institution

AAT (Associate of Arts in Teaching) | designed for transfer to a four-year institution to obtain a baccalaureate degree and teacher certification

ASE (Associate of Science in Engineering) | designed for transfer to a four-year institution to obtain a baccalaureate degree

Certificate | designed to assist students with goals for upgrading skills for immediate application in employment

Continuing Education Certificate (noncredit) | job training or completion of a series of courses that result in improved skills or technical knowledge

***Professional Licensure and Certifications** | Some programs of study and the required courses are designed to meet requirements for professional licensure or certification in Maryland. If you plan to apply for licensure or certification in a state other than Maryland, contact that state's licensing board to determine whether the AACC program and required courses meet the requirements for licensure or certification in that state. If you need assistance finding contact information for your state, or if you need additional information regarding professional licensure or certification, contact the academic school responsible for that program.
