

What you will learn...

Arundel High School
AP Computer Science

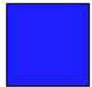

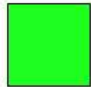

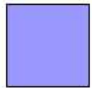

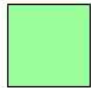

AP Computer Science

Programing Language

Problem Solving

AP Computer Science

	0	1	2	3
0	 255,30,30	 30,30,255	 30,255,30	 0,0,0
1	 255,150,150	 150,150,255	 150,255,150	 200,200,200

Hmmm..... How does the computer make colors?

Making computers do creative and useful things. ;-)

Students programming....

People programming at Google.
