

Little Wildcat Preschool 2017-2018 Quick Facts

This year, parents and staff should contact Ms. Hamilton at: mlhamilton@aacps.org with questions. Of course, you can still ask Ms. Stawas but Ms. Hamilton is our new lead Child Development Teacher this year. ☺

- The program is FULL for the entire 2017-2018 school year. However, there is a small waiting list so I would encourage anyone who asks to contact Ms. Hamilton to be placed on the waiting list.
- The first official day of preschool will be **Thursday, October 26th**. We will have preschool Thursday and Friday that week. We have not yet made the schedule beyond this week. We will bring one to the front desk each month so you know what is going on.
- As a general rule (but with exceptions as you see above), preschool will run **Tuesday, Wednesdays and Fridays**. There will be exceptions because we must follow the AACPS calendar. We email and hand out a copy of the schedule 1 month in advance.
- **Remember that we do not follow a set schedule every week so flexibility is needed for the program.**
- We will hold our orientation/information night on **Wednesday, Oct. 4th from 3-4 pm (AM parents) and 4-5 pm (PM parents). More info to come.**

Applications for 2018-2019 will be available in March 2018. We will begin accepting information sometime in April in 2018.
