

Arundel Holiday Craft Fair

Arundel High School

Important New Information

- Because participation has increased, we will only be accepting applications from previous vendors during the month of September. We will need you to supply the year you last attended.
- If spaces are still available, starting October 1st, we will accept other applications, until we are full, on a first come, first served basis.
- PLEASE: Be sure to include your check with your application. **The date needs to be the current date!!!!!!** The school gives us a very small window to deposit checks, after which we will have to ask you to write a new one.
- The check must be made out to **Arundel High School**, not me!
- We cannot accept online applications, and we cannot hold a space without application and check.
- Please print all information clearly!!!!
- Most of you know that last year, we were snowed out for the first time in over 30 years. If Anne Arundel Public Schools are closed on Friday, the 7th, we are cancelled for the 8th. That is AACPS policy.
- In that case, we would do everything we can to reschedule for the following Saturday, December 15th. However, you should watch your email. Be sure to read the next page carefully concerning our cancellation policy.
- ****Hopefully that won't happen again!

We are looking forward to another successful craft fair for everyone this year.

September 1, 2018

Dear Crafters:

The Speech and Debate Club, Math Club, and Its Academic of Arundel High School will again host the Arundel Holiday Craft Fair on December 8, 2018 as their annual fundraiser. Our Craft Fair will begin at 10 a.m. and last until 4 p.m. On the day of the fair, the building will be open at 7:30 a.m. and must be cleared by 5 p.m.

Only hand-crafted items may be presented for sale. Unless you were a participant in past Craft Fairs at Arundel, please send a photograph of your craft and understand **you will be asked to remove from your table any items which are not hand-crafted.** All spaces will be **approximately** 9 X 9 or 10 X 6 and will cost \$35.00. The first \$35 space rental per crafter will serve as a nonrefundable registration fee. If school were canceled because of severe weather on Friday, the fair would be rescheduled for December 15th. Registration fees **would not be returned** if that happened, but that is not likely in early December. Of course, it did happen in 2017. **If you rent more than one space, only the first \$35.00 is nonrefundable.**

Spaces will be assigned on a first-come, first served basis in our cafeteria and hallways. Since there may be some changes in arrangement, it is not possible to guarantee "the same space as last year". Crafters are encouraged to bring their own tables and displays. You may request one of our very limited number of rectangular tables at an **additional cost of \$10 each.** Some electrical outlets are available, **at a cost of an additional \$10.** You will need to bring your own extension cords. All tables are to be covered, and we ask that you bring a trash bag to remove trash from your display. We will try to meet all special requests. If we cannot meet your request, we will assign you to the next best space or table selection available.

To make your reservation, send the attached contract form, completed, **along with a check made out to the Arundel High School, and dated with current date to**

Mrs. Lynne Clark
Arundel High School
1001 Annapolis Road
Gambrills, MD 21054

If you have questions, **please contact Lynne Clark at 443-688-6726 or Carol Myers at 410-923-6677.** If no one answers, please leave a message on the voice-mail. Calls will be returned as soon as possible. Email is the best contact method.

We trust that this will be our most satisfying year so far for all who are involved.

Cordially,
Lynne Clark and Carol O. Myers
On Behalf of Speech and Debate, Math Club,
It's Academic Team

Arundel Holiday Craft Fair

arundelcraftfair@gmail.com
or Carol Myers, 410-923-6677**

A Few More Details

- Only vendors who have a food business (are licensed, follow COMAR regulations & are insured) may sell food. We are not permitted to sell home baked goods if they are not through a licensed business.
- Concerning the Cottage Food Business section of COMAR:
 1. What are your menu items?
 2. How will the items be labeled?
 3. Can the business meet section C of the Cottage Law?

The Health Department will then determine if we may allow you to participate.

- Absolutely no games of chance (raffles, bingo, etc.) are permitted on school property.
- Tables in C hall must be up against the lockers. Vendors cannot be behind the table. We will give longer spaces to allow for this.
- Egress exterior doors cannot be blocked! Please don't put us in violation of fire or safety code.

These are issues that we were cited for in the past. ☹️

Thank you for helping us to be citation free this year!
