FUNDRAISING GOAL: To fund our senior prom and all senior events and activities.

Hello Parents and Seniors,

Fundraising this year is a little different than last year. Our online fundraiser will start today and run for the next several weeks. Our fundraiser is safe and contactless. There is no handling money or products to deliver. Orders are placed online and shipped to each customer specified address. There will be no catalogs or order forms handed out. Please click on the link below for more information and to participate.

This fundraiser is offering a unique way to support our class and Maryland products and businesses at the same time. Please click on the link below to see **Maryland's Best Catalog**.

Your support is essential for our success. It is easy to support us. Just click on this link:
