

Parents,

Student schedules will be available to you on the Parent/Student Portal on Monday, August 31st. Once you have seen your child's schedule, we will begin the Course Correction process. Please remember that AACPS Board Policy allows for schedule corrections for the following reasons:

- Senior needs course to graduate
- Sequential order correction
- Correction due to previous course failure
- Correction due to mechanical error
- Correction due to having already passed course
- Correction due to summer school success
- Correction due to health concern certified by a physician
- Increase the rigor of program.

If this criteria applies, please email your child's administrator with the change required and indicate the reason from above. If the change meets the criteria and is approved, you will be notified by the counselor. If we cannot make the change, you will hear from the administrator.

Please note, Team Sports Basketball and Team Sports Lacrosse has been changed on schedules to say to Team Sports. This will not have any impact on your child. Please do not be alarmed.

It is our hope that all schedules will be correct by September 7th so students are in the correct Google Classrooms when instruction begins on September 8th.

Also, know that your child has been scheduled for Community Wellness. It will appear as a 5th period class. Please look at the Student Schedule High School on the aacps website and reopening packet. Community Wellness will occur during the Student Wellness blocks from 9:20 - 9:45 on Mondays and Fridays and from 8:30 - 9:15 on Wednesday during E-Learning. This class will appear in your child's Google Classroom Dashboard. Attendance is required and will be marked by the teachers. Please be sure your child attends.

Position	Name	Caseload Last Names that start with:	Email
Assistant Principal	George Bell	A-D	gbell@aacps.org
Assistant Principal	Greg Ryan	E-Hi	gryan@aacps.org
Assistant Principal	Stacey Cooper	Ho-Me	srcooper2@aacps.org
Assistant Principal	Karen Kakoda	Mi-Sc	kkakoda@aacps.org
