

11H

The Scarlet Letter

How does the individual mature through change?
What motivates us to assert our individuality?
What are the consequences and benefits of asserting individuality?

11H and 11S

How does the individual mature through change?
What motivates us to assert our individuality?
What are the consequences and benefits of asserting individuality?

11S

INTO
THE WILD

Happiness is
only real,
when shared.

-Into The Wild.

How does the individual mature through change?
What motivates us to assert our individuality?
What are the consequences and benefits of asserting individuality?
