

# AP Environmental Science Summer Assignment

AP Environmental Science (APES) students will be required to read chapters 1 and 2 of Miller Living in the Environment 14th ed., reflect on what they've read, and answer questions from the book and the Brooks Cole website for the first day of class.

In this online packet, students will find the chapters to be Read and Outlined, and the Critical Thinking questions to be answered at the end of both chapters. Other "Review Questions," can be found at <http://www.biology.brookscole.com/miller14> under *Review Questions* on the left -hand menu on the web page. Chapter 1 has 25 questions and Chapter 2 has 16 questions.

Enjoy your summer.
