

Honors Vocal Ensemble (Chamber Choir): Prepare a solo repertoire list. You need a minimum of six songs/Arias you have memorized and are ready to perform. Have your Karaoke track or piano accompaniment at hand when you return to school. Note that most accompaniments are available on You Tube. Prepare pieces from various genres including, but not limited to Broadway, Classical (24-Italians book), An opera or oratorio Recitative+Aria; Pop/rock/country song; an Art Song and/or German Lied. If you need ideas Google "Top Ten Soprano Opera Arias," or "Top Ten Tenor Broadway solos," something along those lines. That should give you plenty to choose from. Come to school in the Fall with your songs ready to perform. The purpose of this is to prepare you for upcoming auditions; get you prepared to sing alone; possible college auditions in the future; and school/community opportunities for solo singers.
